Spanish: Berlitz Level 1 / CEF A1 / UN Level I Berlitz Digital Level 1									

This course is a practical, goal-oriented, speaking-focused general Spanish course, which enables the learner to interact in real-life situations that are adapted to the learner's needs and interests. There are 36 modular content units, each with a mix of activities focusing on and leading to achieving a specific speaking goal, and 4 review units.

The course is aimed at beginners or false beginners in Spanish and focuses on building proficiency in general Spanish as a foreign or global language for adult professionals with emphasis mostly on speaking and listening skills. Each unit contains useful vocabulary, phrases and expressions, and / or grammar related to the unit's speaking goal. The speaking goals include, *introduce yourself; book a hotel room; ask for and give directions; make a purchase in a store; and order in a restaurant.*

Upon completion of this course (Common European Framework Level A1), learners can understand and use familiar, everyday expressions, and simple sentences to take part in a simple, slow conversation.

Summary:

- give and ask for basic facts about yourself or others, including job, company, family, contact information
- get around using the most common vocabulary for shopping, transportation, and people, places, and things
- use the present tense to talk about what you do every day and what you are doing now
